

International Education announces the first presentation in the 'EARTH TREK' series for 2010-2011, in which faculty who have received travel grants will share information about their travels and related research.

Botswana and South Africa: Hope and Opportunity in the Face of Modernization

**Tuesday, September 28:
JRC 201 from 12:00-1:00**

Presented by:

Dr. Suzanne Wisniewski, Economics

Dr. Jill Manske, Biology

The countries of southern Africa provide rich examples of modernization, opportunity, and development in the face of enormous environmental, development, cultural, and public health challenges. Drs. Suzanne Wisniewski and Jill Manske will present on their travels to Botswana and South Africa during the summer of 2010.

All students, faculty and staff are invited to attend this presentation/discussion.

Bring your lunch; cookies and beverages will be provided.
